### Objective of the Coordinated Call

**Overall** Facilitate entry of target group into **employment, vocational training or education** through transnational mobility measures

**Specific** **Prepare and launch** a coordinated call for transnational mobility measures for the target group  
**Support** for launch of individual calls **on national/ regional level**

2

**Target group - definition**

- Young people aged 18 to 30 not in employment, education or training (NEET)
- considered to be vulnerable with regard to their chances of entering employment, vocational training or finalising their education
- Member States or Regions can open their respective measures to persons up to the age of 35, if they so desire.

4

**Quality criteria – common minimum requirements on Project Structure and Project Management**

- **To ensure the quality** of transnational mobility launched under this coordinated call, projects have to meet the **common minimum requirements** regarding their structure and management.
- It is essential that the **target group involved** and the **methods** and **approaches** to be used **are agreed** between **sending** and **receiving project operators**.

5

**Quality criteria – Project structure**

All projects should consist of the following phases:

**Participant Recruitment**

- Stimulating participation
- Participant selection

**Participant Preparation**

- Assessment of participants' competences
- Intercultural, language, professional and practical preparation
- Duration of participant preparation

**Work Stay Abroad**

- Mentors
- Duration of work stay abroad
- Language support
- Team building and soft skills

**Follow-up**

6

 **Quality – Programme Management**

- **Criteria to activities applicable across all phases**
- **Criteria related to the cooperation between sending and receiving project operator**

7

 **Implementation structures – mandatory requirements**

**Mandatory requirements for**

- the applicant/project operator
- the transnational partner(s)
- the implementation of the EU principle of equal opportunities and non-discrimination

8

**Implementation structures - common minimum requirements**

- **Applicant at domestic level**  
The Call is open to any type of organization considered eligible by the national/regional Managing Authorities. A list of potential organizations is provided in the Manual of Guidance.
- **Transnational partner(s)**  
Under this Coordinated Call, all projects must establish operational partnerships with at least one transnational partner from another Member State.
- **Principle of equal opportunities between men and women and non-discrimination**  
Under this coordinated call, MAs take into account the horizontal principles expressed by the European Union. MAs take actions aiming at promoting equality between men and women.

9

**Financial rules – Objective**

- **Define a set of common eligibility rules for the coordinated call**
- **Common rules should allow the necessary flexibility on national/regional level**

10

**Financial rules – Fields of discussion and decision making**

- **Eligibility of costs**
  - i.a. costs for partner finding and project preparation are eligible
- **Split of costs between partners**
  - in principle, sending country is carrying all costs related to all activities for their participants (in home and host country)
- **Use of simplified cost options**
  - strongly recommended

11

**Manual of Guidance**

- Structured in the same way as the Coordinated Call
- Recommendations, definitions, background information and examples of approaches and methods that have been successful
- “Living document” that can be refined and extended
